

HOW CAN I KNOW GOD PERSONALLY?

This study is designed to help you discover and develop a personal relationship with God. Begin your study time with prayer asking God to teach and lead you. Read each passage carefully looking to see what it is saying about having a personal relationship with God. After each reference write down your observations about what you have discovered. Use these two questions to stimulate your thinking and assist your observations.

**What do these verses reveal about God, and having a personal relationship with Him?
How can I respond to what this says so as to strengthen my relationship with God?**
